

### ***Youth Sports Special Request Policy***

The Granville Recreation District is committed to providing the best possible experience with youth sports programming. To offer the best programs possible, we need to have the highest level of consistency within the organization and equity amongst teams. To that end, the organization will abide by the following conditions regarding special requests:

#### **Making a request:**

- All requests must be made in writing
- All requests must be made as part of the registration process
- Requests must be mutual

#### **Requests that will be priority consideration:**

- Siblings within the same age grouping (no special consideration for kids “playing up”)
- Requests based on a past negative experience
- Religious affiliation
- Medical conditions

#### **Requests that will only be considered under extraordinary situations including but not limited to:**

- Transportation issues
- Personal preference

The Youth Sports Coordinator, Program Director and Executive Director will review the situation and evaluate the request. A decision will be made and communicated to the parties who made the request.
