

GRD Team Sports Late Registration Policy

The Granville Recreation District's goal is to provide programming and recreation for Granville residents and those enrolled in Granville Schools. As a part of the recreation programming we strive to provide opportunities for all those who wish to participate in a given team sport program. The GRD understands that people may overlook a deadline or need some additional time to decide if they want to sign up their child for youth team sports programming. The GRD sets a policy for late registrations as follows;

- **All participants who registered on or before the registration deadline will be guaranteed a roster spot.***
 - **With the exception of Travel Basketball and Middle School Sports.**

GRD Team Sports Late Registration Policy is enforced as follows:

- Any person(s) who wish to register after the registration deadline has passed must call, email or visit the GRD office to request late registration.
- After the registration deadline has passed the GRD will calculate the number of kids enrolled in relation to the total number of volunteer coaches and determine IF any spots on a waitlist will be opened.
 - Waitlist will be issued as first come first serve based on, in no particular order;
 - Phone Call
 - Email
 - In person request at the GRD office
- The GRD reserves the right to limit the number on a waitlist or not accept any late registrations.

Any accepted late registrations will also have the following rules/restrictions:

- Any accepted late registrations will come with a \$25 late fee per participant, that must be paid at time of registration.
- Any late registration that is unable to attend a player evaluation must be a hat pick*
 - *Hat Pick – A player who cannot or does not attend a player evaluation will be randomly selected in a later round of the player draft where all coaches would be eligible to select that player(s).
- Any late registration that is unable to attend a uniform fitting will have a general size based on age/ grade selected for them.

Late Registrations will not be taken/accepted once player drafts or team creation have completed.

***Roster spot will be contingent on reaching the minimum number to run the program.**
